BRIEF ABSTRACT OF LETTER.

Forwarded: The copy of the letter No 31 dated 22-1-1917 received from the Honorary Secretary of the Mysore Eng'neers' Association bringing to notice how the Supdt of Presses do a do payment for the printing work done for the Mysore Eng'neers' Association

NOTES AND ORDERS.

The Supdt. Govt Press claims payment for work executed in 1914-15. As against this claim the Hon Secy of the Association says that according to G.O No 329-32/P.W. 2600003d 11th April 1907 the claim is not admissible. An extract of from the G.O is found in G.P. 43
6-11, 13, 14

Serial
No.

The question of payment arose indirectly for the first time ^{in September 14} when the association wanted to get its quarterly Bulletin printed at the Govt Press and the Superintendent declined to print ^{it} on the ground that the work did not come under the G.O. NO 329-32/P.W. 2600-03 d 11-4-07 and that it required fresh sanction from the Government. The Supt Govt Press was ^{accepted} ~~authorised~~ ^{in G.O. NO 13181-S2/G.P. 3-14, 14 d 8-5-15} to print the bulletin of the Association in the Govt Press, the charge being debited to the P.W.D., under the head 'contingencies of the ^{chief} Engineer's Office'. No objection was taken to execute other works of the Engineers Association in the Govt Press. There the matter rested.

The question was re-opened in June 15 as a result of the G.O. NO 13906-56/G.P. 24-12-11 d 11-6-15 issuing instructions for regulating the printing work in the press. The Supt wanted the Engineers Assoc to obtain the sanction of Govt as per para III of G.O. NO 13906-56/G.P. 24-12-11 d 11-6-15 to print the Proceedings etc of the Association. The Engineers Association wanted to get its work executed free of cost. It was decided to allow the concession ~~for one~~ ^{as a special case.} ~~year~~ ^{during} ~~some~~ ^{it} 1915-16 vide G.O. NO 99192-4 G.P. 8-15-49 d 3-1-16.

NOTE—Contn. sheet.

of 1916.

Serial
No.

4 The Superintendent on the strength of the G.O. of 8th May 1915, ~~and the limitation limited effect of the G.O. of 14.6.15~~, claims payment for all the other printing work done in the Govt Press ^{during} in 1914-15, to which the Association objects. The discussion as seen from the file (G.P. 8-15) shows that the concession viz printing the Association work free of cost, was ^{specially allowed during} ~~extended to~~ 1915-16 ~~also~~. The special order of ^{8th May 15} ~~14.6.15~~ regarding printing of the Bulletins ~~did~~ did not involve the consideration of all other work, which the Press executed for the Association free of cost under the G.O. of 1907. The claim ^{of the Supdt} therefore seems to be inadmissible. Submitted for orders.

~~By~~ In the result, the G.O. of 1907 in which the Association was conceded the privilege of getting all its work printed at the Govt. Press free of cost, continued in force till the end of the year 1915-16. Only the Bulletins were ordered to be printed and charged for. From the Schedule of Work given by the Supdt, it will be seen that during 1914-15, payment is demanded for circulars, forms, &c and as such the Supdt. may perhaps be informed that G.O. of 8.5.15 ^X applies only to bulletins and not to other works.

KARPUR SHRINIVASRAO Esq., B.Sc., L.C.E., 1916-1917

Secretary to the Government of Mysore.

Public Works Department.

101

To

D. M. Narasinga Rao, Esq., B.A., B.L.,

Secretary to the Government of Mysore,

General Department, Bangalore.

Sir,

I have the honour to forward herewith a copy of letter No.31 dated the 22nd January 1917 (together with its enclosures) received from the Honorary Secretary of the Mysore Engineers' Association bringing to notice the circumstances under which the Superintendent, Government Press, has been demanding payment for the printing work done for the Association during 1914-15.

2. The case briefly stated, is as follows :-

- (1) As may be seen from this office letter No.1779-80/9032-3 dated the 17th September 1915, no question was raised by the Superintendent, Government Press, till the end of July 1915 as regards the printing, free of cost, of the papers relating to the Association.
- (2) At the instance of the Superintendent, Government were then moved to authorize that officer to continue printing free of cost, all the official publications of the Association under G.O.No.329-32/P.W.260-03 dated the 11th April 1907.
- (3) Subsequently, Government passed an order directing the Superintendent to print the papers as before only during

1917

Subject.
 for work done the copy of the
 letter with its enclosures, bringing
 to notice how the Superintendent
 of the printing work done
 by the Engineering Association.
 (1)

during 1915-16.

3. It is clear from the above that, until definite orders were passed by Government on the 3rd January 1916, the printing of the Association papers should be governed by the order dated 11th April 1907 which was not rescinded.

4. I therefore request that the Superintendent, Government Press may kindly be requested not to press for the payment of the bill in question.

I have the honour to be,

Sir,

Your most obedient servant,

R. V. Sundaramia
for Secretary to Government,

Public Works Department.

J.R

Letter No.31 dated 22nd January 1917 from the Honorary Secretary, Mysore Engineers' Association, to the Secretary to Government Public Works Department, Bangalore.

In forwarding herewith for favour of your perusal, copies of correspondence between this office and the Superintendent, Government Press, I have the honour to state that the Superintendent, Government Press, has sent a bill to me for Rs.470 on account of the printing charges of the work executed during the 1914-15 on the ground that the free concession allowed in G.O.No.329-32/P.W 260-03 dated the 11th April 1907 and G.9192-4/G.P.8-15-49 dated the 3rd January 1916 does not apply for the said year. As the said orders of the Government have succeeded one another, I am of opinion that the interpretation put upon by the Superintendent appears to be far-fetched and cannot reasonably apply to the case under report.

I therefore request that you will be kind enough to place the matter before the benign Government and obtain their kind sanction for the said period, if necessary, and oblige.

True Copy .

Assistant Secretary to Government,
Public Works Department.

Rupees Four Hundred and seventy only.

Letter from the Honorary Secretary, Mysore Engineers' Association to the Superintendent, Government Press, No. 3/1 dated 2-1-17.

In returning herewith your bill for Rs 470/- sent to me on account of charges of some printing work executed in the

Government Press, as described therein, I have the honour to invite your attention to Government order No. G, 9192-4/ G.P. 8-15-49 dated the 3rd January 1916 according to which the printing of the Association work in the Government Press has been authorized to be executed free of cost, up to the end of the year 1915-16.

Letter from the Superintendent, Government Press to the Honorary Secretary, Mysore Engineers' Association, No. 1543 dated Bangalore, 5th January 1917.

In retransmitting herewith the bill for Rs 470/- forwarded with your letter No.3/1 dated 2nd instant stating that Government order No. G. 9192-4/ G.P.8-15-49, dated 3rd January 1916 authorizes the printing of the Engineers' Association work free of cost, I have the honour to state that Government order referred to authorizes the printing of the work only for the year 1915-16. But the items referred to in the bill relate to the work executed during the year 1914-15, as your department No. and date clearly show. Hence the claim now made for adjustment is not at all inadmissible. I therefore request that you will be good enough to have the bill passed very early as these items are taken note of in the audit objections by the Comptroller.

Letter from the Honorary Secretary, Mysore Engineers' Association, to the Superintendent, Government Press, No. 8 dated 9/10th January 1917.

With reference to your letter No.1543 dated the 5th instant I have the honour to inform you that all period prior to 1915-16 stands covered by G.O.No. 329-32/ P.W. 260-03 dated 11th April 1907.

According to the concession given in this order all work was being executed in the Government Press, free of cost.

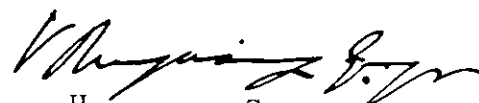

As can be seen from the papers read in Government order No. G. 9192-4/ G.P. 8-15-49 dated the 3rd January 1916, it is

clear that the objection to print the Association papers free of cost in the Government Press was for the first time raised by you in your letter No. 313 dated the 28th July 1915, i.e., during the year 1915-16 for which there is the free concession further extended for that year. As such I am to inform you that from the date of the first G.O., there has not been any gap for the work executed at that time the Association is liable to pay

Under these circumstances, I request that you will kindly refer the Comptroller, to the G.Os referred to above and oblige

Letter from the Superintendent, Government Press, to the Honorary Secretary, Mysore Engineers' Association, No. 1599 dated 11th January 1917.

With reference to your letter No. 8 dated 8th instant, stating that all period prior to 1915-16 stands covered by G.O. No. 329-32/ P.W. 260-03, dated 11th April 1907, I have the honour to invite your attention to G.O.No. 12181-02/ G.P. 3-14-14 dated the 8th May 1915 authorising the Superintendent Government Press to print the Bulletins of the Association, the charge being met from the contingencies of the Chief Engineer's Office. The work noted in the bill enclosed herein and the date of your requisition clearly that they are the jobs printed for the year 1914-15 and not for the year 1915-16. Hence the bill is clearly payable and should be adjusted.

Honorary Secretary.
